PERSONAL EXPLANATION

Mr. NUNES. Mr. Speaker, unfortunately, I was detained and unable to cast my vote for one amendment to and final passage of H.R. 447, the National Apprenticeship Act. Had I been present, I would have voted “yea” on rollcall No. 30 and “nay” on rollcall No. 31.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 804

Mr. ALLRED. Mr. Speaker, I hereby remove my name as cosponsor of H.R. 804, which I was inadvertently put on.

The SPEAKER pro tempore. The gentleman's request is accepted.

HONORING NEW MEXICO STATE POLICE OFFICER DARIAN JARROTT

(Ms. HERRELL asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. HERRELL. Mr. Speaker, today, I rise to honor New Mexico State Police Officer Darian Jarrott.

Officer Jarrott was shot and killed yesterday, February 4, after he stopped a vehicle while assisting with a Homeland Security investigation. He was 28 years old and leaves behind three children and a fourth on the way.

Officer Jarrott joined the State police in 2015, after beginning his career as a transportation inspector with the New Mexico Department of Public Safety.

He served his community with honor and distinction, and he was known among his colleagues to always have a

smile on his face, no matter how tough a situation was.

Officer Jarrott was someone who wanted to help people, someone who wanted to do the right thing and was loved by his community. We need more officers like him.

We owe so much to Officer Jarrott and so many others who answer the call to duty and make the ultimate sacrifice.

His death reminds us of the debt we owe the brave men and women who stand in the gap to protect us from evil. My prayers are with Officer Jarrott's family.

WINNING THE WAR AGAINST THE PANDEMIC

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, this is a daunting and overwhelming responsibility that this country has, and that is to defeat COVID-19 and to win this war against the pandemic.

If you take a survey of different States, you will find that there is an uneven approach to distribution. There are mega centers; there are small centers; and there are no centers. I am reintroducing my COVID-19 Delivery Act of 2021 that sets out a protocol dealing with the nationalization or federalization of distribution so that distribution is organized to the extent that every part of America knows when their vaccines will come.

We will put out a national app so that public health entities can know when their doses will come. We will find a logistical scheme so that FEMA can manage the distribution across the Nation. We will purposely design it so that hard-to-reach neighborhoods, communities of minorities, will be found and so that we begin to vaccinate people massively across the Nation.

We have to save lives. 594,000 may die by May. Please cosponsor the 2021 COVID-19 Delivery Act. It is going to make a difference.

PUTTING AMERICA FIRST

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, the Biden administration has now issued at least 42 executive actions, including 25 executive orders, by far the most of any President during this span. Clearly, all his rhetoric about unity is, to use his favorite word, malarkey.

This week, the President signed three more executive orders to destroy progress we have made on immigration and border security.

He reversed President Trump's public charge rule. That rule prevented immigrants likely to rely on social welfare programs—paid for by you and me, the taxpayer—from accessing green cards.
